MADHAVARAO MOYYA

Nellore, Andhra Pradesh, India — +91 9866082167 — moyyamadhav123@gmail.com

CAREER OBJECTIVE

Motivated MCA graduate with a strong foundation in Python programming and SQL. Seeking an entry-level Python or SQL role where I can apply my programming, database, problem-solving, and analytical skills to develop reliable solutions. Eager to learn new technologies, work with data, and contribute effectively to organizational goals.

EDUCATION

MCA – Narayana Engineering College, Nellore 2024 – 2026 (Pursuing)
Aggregate: 75% (up to 3rd Semester)

BCA – Krishna Chaitanya Degree College, Nellore 2021 – 2024
Aggregate: 84%

TECHNICAL SKILLS

Programming: Python, SQL
Python: Core Python, OOPs, Functions
Database: MySQL, SQL Queries, Joins, Aggregate Functions, Subqueries, GROUP BY, HAVING
Web Basics: HTML, CSS, JavaScript (Basic)

PROJECT

ATM Management System *Core Python*

- Developed a menu-driven ATM Management System using Core Python to perform common ATM operations such as balance enquiry, cash withdrawal, cash deposit, and PIN verification.
- Implemented secure PIN authentication and user validation to ensure authorized access to ATM services.
- Applied Python functions, loops, conditional statements, lists, dictionaries, and Object-Oriented Programming concepts to organize the application.
- Implemented exception handling and input validation to handle invalid inputs, insufficient balance, and incorrect transaction amounts.
- Used file handling concepts to store and retrieve customer account details and transaction information.
- Designed a simple menu-driven interface that allows users to securely perform ATM transactions and check their account balance.

CERTIFICATIONS

- HackerRank – Python
- HackerRank – SQL

SOFT SKILLS

Problem Solving
Communication
Time Management
Quick Learning
Teamwork
Adaptability
